## UPDATED COVID-19 PROTOCOL

Due to the Covid-19 cases in our area, we are exercising extra caution to keep our parishioners and staff safe, especially those who are not vaccinated. **Until further notice, masks are required whenever you are in the church building, including when attending Mass.** This applies to everyone old enough to safely wear a mask, regardless of vaccination status. We are not at this time implementing any additional registration, social distancing, nor extra sanitizing procedures.

One half of the church seating will continue to be “open seating” will all rows open. The other half will be blocked off at every other row, for those more comfortable with social distancing. When you enter a pew row, please move to the furthest open seating area, so that others can fill in the row behind you. Thank you.

## CREATING A SAFE ENVIRONMENT (CASE) MANDATORY TRAINING FOR PARISH VOLUNTEERS

In March 2021, the Diocese of Rochester updated its *Volunteer Creating a Safe Environment (CASE) Policy* to include ALL volunteers, not just those who work with children or vulnerable adults. The training is offered in an easy to use online program. Volunteers will be required to sign a Code of Conduct and complete a background check prior to starting your volunteer service.

This mandatory CASE training must be renewed every three years (volunteers over 70 years of age who have previously completed CASE training are only required to complete the background check and Code of Conduct forms).

With the new policy, all **ushers, cantors, lectors, Eucharistic ministers, Faith Formation and youth group volunteers** are required to be CASE trained.

Volunteers can access the training at <https://www.dor.training/> or by contacting the Faith Formation office at 739-8214 (Barbara Matterazzo or Maribeth Leipold) for information or assistance.

Since this training is mandatory, if a person is not able to complete it, unfortunately, they are not able to volunteer.

We greatly appreciate our volunteers and are sincerely hoping that you are looking forward to continuing your volunteer service/ministry to our parish, which you have so faithfully served.

## ANNUAL PARISH MEETING

In accordance with the laws of the State of New York, every parish corporation is to have an annual meeting to supply information to the parish at large with regard to financial and legal issues. The annual parish meeting will take place on **Sunday, September 19th**, immediately following the 10:30 a.m. Mass in church. At this meeting, a summary of the 2020/2021 financial statement will be reviewed, as well as the budget for 2021/2022 fiscal year. In addition, the chairperson of our Finance Council, **Mr. Shane Alsworth**, our business manager, **Ms. Terri Orbin**, area finance director, **Mrs. Suzanne Krebs**, and **Father Linsler** will be present to answer any questions or concerns. All are encouraged to attend this meeting.

## EVERYDAY STEWARDSHIP

I've met and talked with enough people to feel confident that if you polled 100 fallen-away Catholics about why they didn't want anything to do with the Church, the term “accountability” would pop up in almost all of their answers.

And to be fair, a lack of accountability isn't just a Catholic problem. Talking the talk but not walking the walk has been a shortcoming handed down throughout the ages, across all creeds and nationalities.

Loving our neighbor, welcoming the stranger, clothing the naked, feeding the poor — it all sounds fantastic, especially when we're the ones saying it. But the doing — well, that's a different story, isn't it? We would do well to remember that Christ calls one of His best friends “Satan” when Peter tries to convince Jesus to stray from His destiny. But think about what Peter was doing. He had just said, “You are the Christ.” And now, mere moments later, he's saying: “Don't say these things. Don't say you're going to suffer. Don't say you'll be killed.” He was telling Christ to squander what the Lord had given Him. He was telling Him that having faith was fine, but being faithful? It's just a little too hard. God has a destiny for you, too, and He's asking you to be open to it. Maybe it's not in your comfort zone. Maybe you don't think you can do it. Lord, give us faith — but help us, also, to do the work.

— Tracy Earl Welliver, MTS

## PASTOR'S PERSPECTIVE

This past Wednesday, **St. Mary Our Mother School** opened its doors for the 63rd consecutive year. St. Mary Our Mother School welcomed its first students in September, 1959, with an enrollment of 125 students in grades one, two and three with a faculty of six Sisters of St. Joseph. A few years later saw an expansion of the school building to twice its size due to the increasing number of students and expanded number of grades to encompass students in grades kindergarten through eighth grade.

For the 2021/2022 school year, we have an enrollment of 140 students in grades pre-k through grade six. As was the case last year with the coronavirus pandemic, there are strict policies that must be followed to keep students, faculty and staff safe and healthy. Mrs. Heather Bill, our new school principal and the entire school team has been working diligently to create and maintain a safe and welcoming environment at St. Mary Our Mother School. We are blessed with a dedicated staff and are proud of the commitment of each teacher, teaching assistant and support staff has to ensuring the success of every student.

The faculty and staff of St. Mary our Mother School for 2021/2022 are:

## DIFFERENT TYPES OF MASS

### Question:

I've noticed that when I go to Mass at different parishes, sometimes people say and do different things. Why is that?

### Answer:

The Mass in its current form has taken shape over the course of 2,000 years. Over time, traditions, structures, and prayers have been put into place. There are certain rubrics for the Mass that are normative wherever you go. This means you could attend Mass in Malawi or Thailand or Italy and still watch the same basic liturgy unfold, even if you don't understand the language. There may be some cultural differences from place to place, things that aren't specifically listed. For example, in the United States most people go up for Communion in a nice neat line. In Europe, everyone gets up around the same time. It's a bit of a free-for-all!

Some people might take it upon themselves to change things individually. People may not like something that feels too "liberal" or "conservative," and they may take a well-meaning stance in the opposite direction. When people (including the presiders) do things that are distracting or change the liturgy, it introduces an element that breaks the unity of the assembled community. The important thing to remember is that we gather as the Body of Christ to celebrate the Eucharist. If you are confused, ask! If you are frustrated, pray for the spirit of charity.

Here in our diocese, four life-changing community organizations are being funded with major CCHD national grants. They include a farmworker organization, a workers' center, a land trust of low-income people becoming homeowners in inner city Rochester, and a refugee organization empowering their members to know their rights as tenants. In addition, 25% of the funds collected will remain in our diocese to fund smaller anti-poverty projects. By supporting this collection, you are standing with people on the margins and making positive social change.
