| Service | Volunteering is a great way to understand ourselves AND Jesus better and answer the question: WHO DO YOU SAY I AM? See with the Eyes of God this week by seeking out a need in your community. Many organizations are making plans to help children with back to school supplies right now. Contact a local organization to get their list of current needs. |
| Prayer | Spend some time in imaginative contemplation with this week's scriptures. This week we are going to pray with pen and paper! Get out and start writing. Create a word cloud of all the words you have for God/Jesus/ the Holy Spirit. See example. |
| Reflection from the Hammock | God often reveals himself to us through others. How has God shown you who He is through people you have encountered. If you had to tell someone who had never heard of God, who God is, what would you say? |
