PASTOR'S PERSPECTIVE

Due to yet another early bulletin deadline because of the Christmas holidays, this column is being written on Sunday, December 12th. Christmas was over a week ago; today is day two of 2022! For a second consecutive year we have had to celebrate Christmas amidst this global pandemic. My hope is that you were able to gather with family, friends, and loved ones, and prayerfully remember the wonderful gift of God's love we received on that first Christmas, the birth of Jesus Christ.

This weekend we celebrate the **Solemnity of the Epiphany of the Lord**. It is a day when we acknowledge that Jesus Christ came to offer salvation for all people. Just as the Magi of the East, led by a star, made their way in search of the truth that came from the Christ child, so people today follow the lights of our world in search of the Word Made Flesh.

This great mystery of the Incarnation invites us to continue in the way of Christ by the way we live, love and care for all who share this world with us. During these twenty-two months as we have dealt with the coronavirus, we have seen countless examples of people extending a helping hand to people in need. We are called to be the light of Christ for others, even in these most challenging of times. Oftentimes, this may seem rather daunting, but the good news is that we do not take this initiative alone, we do so in the company of each other, and with the grace, direction and strength of the Holy Spirit.

I hope this Christmas time, with all its challenges and hurdles, has been a time of grace and peace for you. As we journey through this Christmas season, I offer this prayer for your reflection:

A PRAYER FOR EPIPHANY

Dear Jesus,

Though a newborn, the wise men, knew your greatness.

*On a hint from the heaven,
they traveled far from their places of comfort
so that they could honor you.*

*From their belief in your divinity,
they gave amazing gifts,
offerings that symbolized
Your life, your power, and even your death.*

*And because of a dream in the night,
they altered their well-laid plans to return home
in order to protect you.*

*May we be so willing to honor, sacrifice and obey,
all for love of you,
as we meditate on the meaning of this day.*

Amen

Happy New Year! Have a great first week of 2022! Please continue to take care of yourself and each other!

Fr. L.

EVERY DAY STEWARDSHIP

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears His glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.— *Tracy Earl Welliver, MTS* ©LPi

FROM THE FINANCE COUNCIL
Tax Advantaged Donation Strategies

In addition to donating with cash or checks, there are other tax beneficial ways that you can donate to St. Mary Our Mother:

If you are over age 70-1/2 and you have an IRA retirement account, you may be eligible for a tax benefit called a **Qualified Charitable Distribution (QCD)**. This provision in the tax law allows you to make a distribution from your IRA directly to a qualified non-profit organization. Using the QCD option, you can transfer up to \$100,000 per year to charity and exclude the entire distribution from your gross income for tax purposes. If you are over age 72, the QCD will also count toward your Required Minimum Distribution (RMD) for the year. **Please consult with your tax accountant for specific tax advice.**

If you have appreciated securities, you may be able to save money on capital gains taxes by donating shares to a qualified non-profit organization. You can transfer stocks, bonds, mutual funds or exchange traded funds (ETF) positions that have appreciated in value as a charitable gift. **Please consult with your tax accountant for specific tax advice.**

Thank you for your gifts and for all your contributions to St. Mary Our Mother!

DROPPED HOST

Question: What happens to a consecrated host if it accidentally falls to the ground?

Answer: This is a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: *How should the ministers respond if the Eucharist is dropped or spilled?* If this happens, the priest, deacon, or extraordinary minister of Holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacrarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).

THE EPIPHANY OF THE LORD

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ.

This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.
