IN OUR PARISH**Online Giving**

As many of you are aware, our online giving program has been down since the beginning of February. At the end of January, ParishSoft (the provider) shut down the processor for our online contributions and began using a new processor. We were not made aware of this change until we heard from parishioners that they were unable to process their online giving contributions. ParishSoft is in the process of setting us up with their new processor. This should be completed soon, and we will update you as soon as the new program is available with instructions for any changes. Thank you for your patience and understanding during this process.

Building & Grounds Committee

We are asking for knowledgeable parishioners to help form a Buildings & Grounds Committee to periodically review the maintenance and upkeep of the parish. The rectory building has significant roof damage that needs replacement, and the parking lots are long overdue for repair. As our buildings age, necessary repairs and remediation will need to be addressed. If you or someone you know, can volunteer a modest amount of time to lend your expertise, it would be greatly appreciated. Please call the parish office at 607-739-3817.

St. Mary Our Mother School Registration

St. Mary Our Mother School is accepting student registrations for the 2022/2023 school year for grades pre-k through grade six. Openings will be filled on a first-come, first-serve basis. Parents or guardians who are new to St. Mary Our Mother School will need: birth certificate, baptismal certificate, immunization records and a completed parish commitment form for members of the parish. The non-refundable registration fee is \$150 per family. Both before and after school care are available. For further information, call St. Mary Our Mother School at 607-739-9157 during school hours from 8:30 a.m. until 3:00 p.m.

This is the day the Lord has made; let us rejoice and be glad. (Ps 118)

PASTOR'S PERSPECTIVE

Happy Easter! We are delighted to have you join us this Easter weekend! If you are a long standing parishioner, new to the church, visiting our area, or coming to Mass for the first time in over two years since the coronavirus pandemic began, we welcome you. On behalf of the staff of our parish and school, we hope you feel welcome and "at home" at St. Mary Our Mother!

There is no day to compare with Easter Sunday. It stands out from the conflicts and turmoil of our world; it lifts our minds and hearts with a joy and love so complete that it conquers death. Early that first Easter morning, a mighty act of God took place - Christ rose from the dead, changing the past and shaping the future. Nothing can be the same again. This makes Easter the primary day of the entire Church year. Everything that we believe as Christians stems from the Easter event. Easter reminds us that there is a way out of darkness, transformation is possible, and change can take place in our lives.

Easter reminds us that death is not the final answer or the end of us. We are meant for more than the present life and are not anchored to this world. Human life is not limited to the cycle of birth to death. Easter is the answer to the tears that are shed at the graves of our loved ones as it reminds us that we have a future greater than the one we believe in, provided we open our hearts to the grace that the resurrected Jesus won for us. Christ has shared the gift of life with us, and His resurrection from the dead points to the resurrection of all people.

The Easter event is the turning point inviting us to live an entirely new way that goes beyond the limits of this world. Each of us is challenged to become part of a new creation, inspired by the life of God given to each of us at baptism. Life depends on a person's perspective. At times, particularly during these past two years when our lives have been affected by covid-19, life can seem like a series of Good Fridays, an empty tomb, full of bitterness and confusion. There are also times when life is full of joy, hope, and endless possibilities. The challenge facing each of us is to appreciate God and to see God's plan in the events that surround our lives. This can be done if we remain faithful to our baptismal promises, and are aware of God's grace and presence in our lives.

The gospel for Easter tells us that the stone at the entrance to Christ's tomb has been rolled away. The question that is before each of us is: *Have I risen to the new life of Christ, or are the stones of one kind or another still weighing me down and keeping me imprisoned: difficult relationships, disappointments, sorrows, losses, reflections, and so on?* The good news of Easter is that the boulders, stones, and restraints that weigh on us have been rolled away by the power of Jesus' resurrection. The tomb of Christ is empty: Jesus lives, and as people who share His life, we live as well.

The entire staff of St. Mary Our Mother parish and school join me in wishing you a very happy, joyous and blessed Easter! Please continue to take care of ourself and each other.

The Horseheads Food Pantry is in need of all food items and especially asks for **spaghetti sauce, tomato sauce & tomato paste** for the month of **April**, although all canned goods are always needed. For your convenience, please place all donations in the cart located across from the bulletin board.

If it is inconvenient to make a food donation, you may make a monetary donation. Please make checks payable to the Horseheads Food Pantry and place in the collection. Thank you for your generosity!

Advocate for NYS Environmental Protection

In an effort to protect our beautiful Finger Lakes and other waterways in NYS from plastics and cans, as well as to keep our other natural areas and neighborhoods cleaner, please support the campaign to modernize our 40 year old Bottle Bill.

NYPIRG, Environmental Advocates and others are calling for the expansion of our returnable containers policy, so that more kinds of beverage containers (including wine and hard cider) would be returnable and that deposit would be increased to 10 cents, which would incentivize returns. Signing and sending this online letter is an easy way to support this effort: https://actionnetwork.org/letters/modernizing-new-yorks-returnable-container-act-bottle-bill?clear_id=true.

It's Not Too Early To Think About Summer Camp

AN EASTER PROCLAMATION

The hosts of heaven exult and sing aloud
in mighty triumph!
Let the earth be glad as glory alights
and night reigns no more.
Let the Church rejoice at the victory
of her Lord and Master,
who paid the debt of Adam,
who frees those doomed to die,
who heals the broken-hearted and
bind up their wounds,
who forgives the sinner and raises up the lowly,
who destroys death forever,
whose Kingdom shall have no end.
God our Father, eternal is your love for us!
Christ the Son, in victory you reign!
Holy Spirit, set the Easter fire
ablaze in our hearts.
Together you live and reign
and ransom your people,
one God
forever and ever.

Amen

Catholic Home Missions Appeal

Today, nearly 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need. Your support of this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. More information can be found at www.usccb.org/home-missions.

EVERY DAY STEWARDSHIP

Today, on the most important day of the liturgical year, the Apostle Paul is calling us out. "I see you hiding in that tomb," he says. "I see you baking with that old, stale yeast, thinking no one will notice."

He says it a little more elegantly, I'll grant you. But the message is this: If you want to be raised with Christ, you'd better be ready to step out of the shadows. Seek what is above — not what is on earth.

I can feel myself responding almost reflexively, "Great idea, Paul — but I'm pretty comfy here." Because sometimes, it's just easier to stay in the tomb. It's easier to crouch in the shadows and look outward at everyone else, thinking of the changes they could make or the sins they could overcome.

Today we are called to embrace newness. New hearts, new lives, new futures, new chances. If there's anything keeping you from that, you need to leave it in the tomb. It's a little scary, sure — maybe Jesus thought so before he stepped into the light of that first Easter morning. But no loaf of bread worth eating was ever baked using stale yeast that wouldn't rise. No new life worth having was ever lived through the broken sins of yesterday. No Easter morning ever dawned without the tomb sitting empty.

Step into the light. He is waiting for you.

EASTER SUNDAY OF THE RESURRECTION OF THE LORD

There are many stones in our paths that keep us from truly living and being free. Some of these boulders have been there for a very long time. They have been there so long that they have even settled into the soil of our lives with other weeds, vines, and compacted soil keeping them firmly in place. We find them hard to move and trying to do so can be exhausting. What are these suffocating albatrosses that keep us so tethered and immobile? They are many things.

They are past childhood wounds and hurts that stem from disappointment, rejection, or abuse. People may have told us we were unwanted, that the world is frightening, that there are only some acceptable feelings you can have and others you cannot. We may have tried to love someone or struggled to figure out how and were met with rejection. Maybe we trusted someone completely and were betrayed. We come to life collecting barnacles that begin to attach to other barnacles and before you know it, we have a mass of solid matter blocking our vision and keeping us from moving. We live in fear. We are afraid of losing what we have, afraid that the future will be empty, afraid that we won't succeed and even more afraid that we will not be loved. There is so much fear. Didn't Jesus tell us not to worry and to not be afraid? Either we believe in the message of Easter, or we don't!

Go confidently into the night. Walking with God you will find the light and strength you need. Often without even knowing, God will move those boulders and stumbling blocks that bind us and, with putting one foot in front of the other and looking forward, we will move. The resurrection of Christ is really all about receiving the gifts of trust and faith and doing new things. The rocks that bind us keep us spinning the same wheels and doing the same things. When was the last time you threw caution to the wind and actually did something totally out of character and different? This is where we find God, in the spontaneous, the adventurous, the fun, and the creative choices we make! God is not boring and stuck. God is exciting and engaging. Jesus Christ is risen from the dead! Find a way to trust that this is true and live.
