Today is Palm Sunday of Our Lord's Passion, and we wave our palm branches in a spirit of joy and triumph. In Biblical times, the palm tree was considered a "kindly" tree because of its lofty height and majestic appearance. The palm tree became a symbol of royalty and victory. Today, we begin to recall Jesus' victory over sin and death. The victory was through Jesus' suffering and death.

We call this week Holy Week...

The name, bestowed by our ancestors, should cause us to enter this week with reverence, embrace its demands with delight and celebrate its rites with all the care, devotion, and energy it deserves. To celebrate Holy Week is, after all, to celebrate who we have become through Christ's paschal mystery.

On Holy Thursday evening, we experience the washing of feet in tender humility. Jesus tells us that we must serve each other in such humble and intimate ways as foot washing. Through what works of charity and justice do we wash the feet of the poor? What humble and intimate service do we offer to each other?

From Good Friday sunset until Holy Saturday sunset is the Paschal Sabbath, the day of rest. In burial, Jesus rested and we rest in Him. We keep watch, learning the lessons of restfulness, silence and darkness. In the quiet of our heart this day, we need to reflect upon the Cross of Christ. We are invited to be reconciled beneath the Cross.

Holy Saturday evening, we come together to keep the Night Watch of the Resurrection of the Lord. On this night, we witness resurrection. Life puts death to death. On this night, we witness resurrection in our midst as we welcome the Elect into full Communion at the Table of the Lord.

We invite you to join us in worship at all our Holy Week liturgies.

A STEWARDSHIP MOMENT:

Jesus Christ has risen today! For those good stewards of their faith who die with Jesus, they rise with Christ their savior every day. They are an Easter people. Our Savior is active, alive, and transforming us and our communities of faith, even the world, at this very moment. Easter is a time of joy, a time of celebration. To have faith in the risen Lord is also to believe that we are disciples who bear witness to Christ in a broken and troubled world. To be good stewards of this faith obliges us to be living witnesses to Christ's peace at home and in public. Jesus cannot be found buried in some long forgotten time, in some far away land. He is risen. He lives within each one of us. ALLELUIA!

PASTOR'S PERSPECTIVE:

HAPPY EASTER! We are delighted to have you joining us this Easter weekend! If you are a long standing parishioner, new to the church, visiting our area, or if it has been a long time since you have attended, we welcome you. On behalf of the staff of our parish and school, we hope you feel welcome and “at home” at St. Mary Our Mother!

There is no day to compare with Easter Sunday. It stands out from the conflicts and turmoil of our world; it lifts our minds and hearts with a joy and love so complete that it conquers death. Early that first Easter morning, a mighty act of God took place, Christ rose from the dead, changing the past and shaping the future. Nothing can be the same again. This makes Easter the primary day of the entire Church year. Everything that we believe as Christians stems from the Easter event. Easter reminds us that there is a way out of darkness, transformation is possible, and change can take place in our lives.

Easter reminds us that death is not the final answer or the end of us. We are meant for more than the present and are not anchored to this world. Human life is not limited to the cycle of birth to death. Easter is the answer to the tears that are shed at the graves of our loved ones as it reminds us that we have a future greater than the one we believe in, provided we open our hearts to the grace that the resurrected Jesus won for us. Christ has shared the gift of life with us, and His resurrection from the dead points to the resurrection of all people.

The Easter event is the turning point inviting us to live an entirely new way that goes beyond the limits of this world. Each of us is challenged to become part of a new creation, inspired by the life of God given to each of us at baptism. Life depends on a person's perspective. At times, life can seem like a series of Good Fridays, an empty tomb, full of bitterness and confusion. There are also times when life is full of joy, hope, and endless possibilities. The challenge facing each of us is to appreciate God and to see God's plan in the events that surround our lives. This can be done if we remain faithful to our baptismal promises, and are aware of God's grace and presence in our lives.

The gospel for Easter tells us that the stone at the entrance to Christ's tomb has been rolled away. *The question that is before each of us is, have I risen to the new life of Christ, or are the stones of one kind or another still weighing me down and keeping me imprisoned: difficult relationships, disappointments, sorrows, losses, reflections, and so on?*

Pastor's perspective continued:

The good news of Easter is that the boulders, stones, and restraints that weigh on us have been rolled away by the power of Jesus' resurrection. The tomb of Christ is empty; Jesus lives; and as people who share His life, we live as well.

The alleluias we sing today and throughout the fifty days of Easter are acclamations of great gladness and joy that Jesus is risen, and the hope of resurrection as well. The joy and enthusiasm of Easter cannot be limited to a single day thus the reason we continue to celebrate the joy of Easter Sunday for fifty days!

Our entire staff joins me in wishing you and your family a Blessed and Happy Easter! Please continue to take care of yourself and each other!

What Would Mary Do?

This Easter morning, I am thinking of Mary Magdalene. I want to know her state of mind as she approached the tomb in the darkness. Was she afraid? Was she thinking clearly? Was she tired? Had grief and trauma robbed her of her sleep the last two nights? What did she intend to do? Anoint Christ's body, yes - but what else? Kiss His hands, trace the markings where the lash had fallen upon His skin? Say goodbye? Weep? Despair?

What were the words she planned to whisper into the cold, empty darkness that morning, as she wept over God's body?

I don't know anything about her state of mind that Easter morning, except that I know she wanted to be with Christ. Perhaps that was all she knew, too. Perhaps she had no other thought, no other desire, than nearness to Him. She didn't need to understand everything, and she didn't expect answers -she didn't dare hope for that.

But everything and everyone had fallen apart around her, and in Jesus' presence she knew her heart would be able to rest.

If you have ever been in the midst of a crisis in your life and found yourself pacing the floors of your house when no one else is awake, muttering the words to a prayer you know by heart, you know what Mary Magdalene felt. In those moments, we do not always feel God's presence. Sometimes, when we look for Him, we only see an empty tomb.

When these dark moments come, I pray you will remember the faithfulness of this great saint. Be like Mary Magdalene. Look for Jesus, always. You may not always find Him, but He will always find you.

"She ran and went to Simon Peter and to the other disciple whom Jesus loved, and told them, 'They have taken the Lord from the tomb, and we don't know where they put him.'" - John 20:2.

ON LIGHTER SIDE

Creation is a thing too: God is talking to one of His angels. He says, "Do you know what I have just done? I have just created 24 hours of alternating light and darkness on Earth. Isn't that good?" The angel says, "yes but what will you do now?" God says, "I think I will call it a day!"
